

Newton Hall Estate

Xi Instrumentation, Newton Hall, Town Street, Newton, Cambridge, England, UK. Tel: 01223 872822

Sapien is based at Newton Hall, Newton. Newton is located between junctions 10 and 11 of the M11 motorway, 6 miles south of Cambridge city centre, and adjacent the A10 London-Royston-Cambridge and A505 Royston-Newmarket trunk roads.

From M11 North (and A14 / Huntingdon):-

From the M11 North, exit at junction 11 (A10 Royston / London), take the A10 south for 1 mile, turn left onto the B1368 at the traffic lights by the 'Old English Gentleman' pub at the entry to Harston village and after 1.5 miles turn right into Town Street in the centre of Newton opposite the 'Queens Head' pub.

From M11 South (London):-

From the M11 South (London), exit at junction 10 (Duxford Airport) and turn onto the A505 to *Newmarket*, turn immediately left at the CIBA factory onto the unclassified road signposted Newton. Pass one right turn and after 1 mile turn left at the 'T' junction signed Newton. After a further 2 miles, go straight across the B1368 (danger blind exit) at the 'Queens Head' pub in the centre of Newton into Town Street.

From A10 South:-

From the A10 South (Royston), turn right on the entry to Harston village at the 'Pemberton Arms' pub, cross the level crossing and after 1 mile, in central Newton, turn right at the Queens Head pub into Town Street.

Newton Hall is prominently sign-posted at the end of Town Street, just past the church on the left. You should report to reception in the main house past the manufacturing facilities.
